Omnes Unum in Domino

FROM THE CHAIRMAN

Reflecting on the year 2024, I can only describe it as one of consolidation, development and extreme hard work on the part of those who I am proud to describe as the ICOBA Europe family which comprises Old Igbobians, our wonderful wives (WICOBA) and friends from other Nigerian schools alumni. When I became Chairman a few years ago, I set out to build a community of people, a vision held by the late Dr Olumide Awe. A community that would include everyone,

a support entity that would ensure that we can look after each other in a meaningful way. The great benefit of building a community is that we are so much stronger together as we harness the various skills, perspectives and values that a huge community pulling together in the same direction brings. That is what the year 2024 was to me. Here in Europe as in other parts of the diaspora, far away from Nigeria, things we once took for granted, ie our extended family support, our access to a broad network of individuals, some with a high net worth, who can make things happen. Our access here to those things is limited and it is therefore incumbent upon us to find other ways to achieve this goal. ICOBA Europe has become the perfect vehicle to deliver the benefit of that community in a diaspora setting.

AGM & Reunion 2024

Our AGM & Reunion 2024 was a huge demonstration of the power in our community and we were able to follow up the 90th Anniversary events of 2022 with a 4-day event that saw us have a Chairman's reception on day one, a tour of Eton College/Windsor Castle and WiCOBA Hosts the next day, the AGM and Fundraising Gala on the third day, and finally a thanksgiving and farewell service on the Sunday. The huge logistical operations that were involved were overwhelming at times but somehow we got through it. You will read a lot more about the AGM/ Reunion in this Annual Report from my colleagues on the ExCo. All I would like to say is that there are some really amazing and talented people in our community of ICOBA Europe and I am forever grateful to them.

Founders' Day 2024

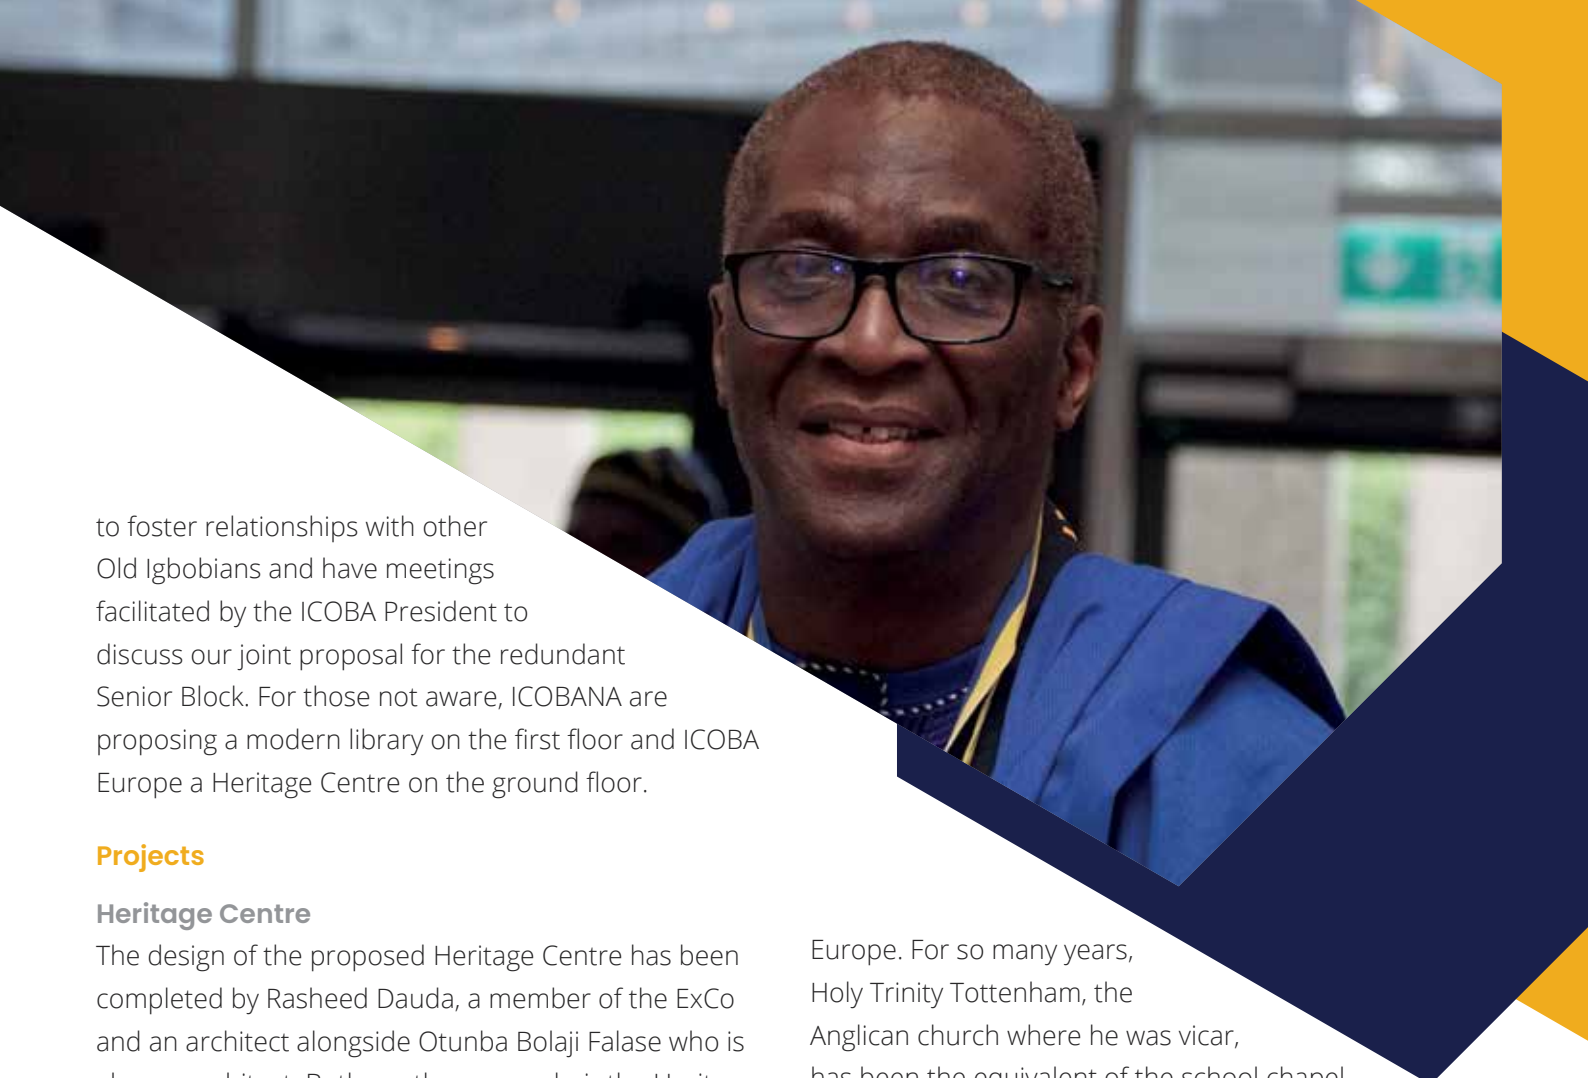

Prior to the AGM we had Founders' Day in Lagos which I attended to support our successful nominees as well

as keep the profile of ICOBA Europe high and visible amongst members of the wider ICOBA family. I then returned to oversee ICOBA Europe's Founders' Day a week later and honour a number of very deserving members of ICOBA and WICOBA. The service was led by our two chaplains, Revd Bunmi Fagbemi (7375) and Revd Tade Agbesanwa (7678). Turnout was quite high with a number of family and friends coming to support the Awardees. (See Jeremy Coker's detailed report).

In June, I was able to attend the ICOBA North America (ICOBANA) AGM in New York City along with my wife. There were over 14 ICOBA/WICOBA members from ICOBA Europe in total. It was a thoroughly enjoyable event and as on my previous visits, it was an opportunity

Revd Bunmi Fagbemi valedictory service

to foster relationships with other Old Igbobians and have meetings facilitated by the ICOBA President to discuss our joint proposal for the redundant Senior Block. For those not aware, ICOBANA are proposing a modern library on the first floor and ICOBA Europe a Heritage Centre on the ground floor.

Projects

Heritage Centre

The design of the proposed Heritage Centre has been completed by Rasheed Dauda, a member of the ExCo and an architect alongside Otunba Bolaji Falase who is also an architect. Both gentlemen co-chair the Heritage Centre Planning Committee of ICOBA Europe. We shared the drawings with ICOBA North America's equivalent committee in January 2024 and are awaiting their drawings. As at the end of 2024 there sadly has been no progress regarding this. We continue to remain open to working with ICOBANA and are developing contingencies should we have to go it alone.

Education Quality Masterplan

A flagship project of ICOBA Europe, this project has been running for seven years and is currently in Phase II which has as its objective the consolidation of gains made in Phase I. The Task Force established by the ExCo is led by our past Chairman, Dr Deji Okubadejo whose report is included in this Annual Report. In summary, it is going well and my thanks to the Task Force for their hard work and diligence.

Retirement and Valediction

A major milestone was the retirement of our highly esteemed chaplain, Revd Bunmi Fagbemi. This came as a shock as he has been a pillar and stalwart of ICOBA

Europe. For so many years, Holy Trinity Tottenham, the Anglican church where he was vicar, has been the equivalent of the school chapel here in the UK. Both the church and the vicarage were central to the life of ICOBA here in Europe. Our familiarity was such that successive organists at the church could all play the school song! I cannot fail to mention the role of Mrs Toyin Fagbemi, the founding president of WICOBA, who looked after us and ensured we were watered and fed. I am only pleased that after a few years of resistance, Revd Fagbemi finally bowed to the pressure placed on him to attend the 2024 Founders' Day Awards ceremony of ICOBA International in Lagos to receive his merit award. I cannot think of anyone more deserving of the honour. The good news is that we will still have his leadership and expertise in his new role as a Trustee of ICOBA Europe which leads me nicely on to the subject of Trustees.

Trustees

Provisions for Trustees have been in the amended ICOBA Europe constitution for a while, but never filled formally and we had previously relied on our seniors to mediate in times of crisis. In consultation with the ExCo we invited Omoba Femi Onabolu (6163), Otunba Bolaji

Mrs Folake Segun, School Principal and sponsored students

Falase (7173) and Revd Bunmi Fagbemi (7375) to form the Board of Trustees ICOBA Europe. They all accepted and are now actively performing their role in oversight of the Association. Their wealth of experience is a welcome source of guidance and can only help the Association in the years ahead.

WICOBA Hosting, Sponsorship and Recognition

The year 2024 brought out the best of our wives (WICOBA). In 2022 we were amazed and surprised by their contribution during the 90th Anniversary celebrations. They hosted the Friday evening event which was thoroughly enjoyable. Given their successful hosting of that event it was a 'no brainer' to invite them to do the same in 2024. This time they surpassed our expectations and provided a wonderful evening in which we had a wonderful Steel Band, Afro-Caribbean cuisine and rum punch! They shared details of their social and fundraising activities with us. The highlight of this was the six students of Igbobi College whose tuition fees they were paying. They managed to inspire a number of Old Igbobians to dip into their pockets that evening and add substantially to the fund. As if that was not enough, they committed to organising a WICOBA fundraising walk in London. I committed to matching those funds without realising how much money they were going to raise. My thanks to the ExCo members who contributed to my commitment given the very large amount raised by WICOBA. The

ICOBA President, Mr Femi Olubanwo, witnessed WICOBA's commitment first hand. In November 2024, it was announced that WICOBA Europe would be recipients of the ICOBA International Merit Award, to be given out in Lagos in February 2025. WICOBA I salute you.

Thank you

I believe ICOBA Europe to be the busiest entity in the ICOBA family worldwide. For the record we run Founders' Day, the Dr Olumide Awe Memorial Lecture, the AGM, the AGM/Reunion, the Family Fun Day and the Christmas Party. Organising all these events requires a group of dedicated individuals whose sacrifice in time, energy and money must be acknowledged.

The excellence of all these events is a testament to who you are. I sincerely thank you all for your immense contribution. I would also like to thank the President, ICOBA International, Mr Femi Olubanwo, for his support and the Secretary-General, Mr Gbenga Olatunbosun. My thanks also go to Mr Fela Yemitan, Chairman ICOBANA and members of his team who also came to support our

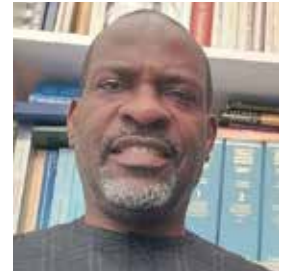

President ICOBA International receiving ICOBA Europe tie

AGM & Renuion. Finally, I want to thank members of the ExCo who I know I continue to push and demand a lot from. I am deeply indebted to you all. I look forward to an equally successful 2025.

SOCIAL ACTIVITIES

Our social calendar in 2024 was as vibrant as ever and more so, ground breaking in many respects. We got off to a great start with our 92nd Founders Day Service and awards evening at the Holy Trinity Church Tottenham on 10th February 2024.

The service was officiated by Rev. Tade Agbesanwa and hosted by Prebend Fagbemi and Mrs. Fagbemi. We had a large turnout. Awards were bestowed on to Mrs Funmi Joseph, ICOBA Europe Angus award for service to ICOBA Europe, Mr Tunde Kutu, ICOBA Europe Angus award for service to ICOBA Europe, Mr Segun Ifaturoti, ICOBA Europe Angus award for service to ICOBA Europe, and Mr. Dele Sosimi, ICOBA Europe Parker award for professional excellence. Once again, we extend our heartfelt congratulations to the awardees.

Our second outing of the year was a visit to Dagenham on 22nd March to compete in the annual NSF Quiz Night Battle of the Alumni. The event was hosted by the Nigeria Military School Alumni — winners of 2023. Armed with a team of around 10 nobles led by our Chair, we came up against stiff competition — nearly 30 other alumni and came a very impressive 2nd to the winners, St. Finbarr's College.

Croydon Steel Band at WICOBA Hosts

Our roster of events continued into the summer. In years gone by, traditionally ICOBA Europe would hold its AGM in May in Birmingham. However this year the Executive Committee decided to progressively change things up and host a melange of events over the weekend of 25th – 28th July titled *ICOBA Europe AGM & Reunion*.

The events kicked off with the Chairmans Reception on the evening of Thursday 25th July. Gbenga & Folake Segun graciously hosted attendees in the garden

Partying at Chairman's Reception

for a wonderful and relaxed soiree where we were entertained with a saxophonist and a great selection of food and refreshments.

The weekend commenced on Friday 26th with a WICOBA Hosts A Calypso Night event at the Aerodrome Hotel in Croydon. This was a fantastic and successful event and the commencement of a fun-filled weekend. The attendance was great including notable guests from ICOBANA and ICOBA National including our National President Mr. Femi Olubanwo. Noble Old Igbobians were encouraged to wear calypso themed colours that reflect their respective houses, and we were all entertained with

Dele Sosimi and Afrobeats Orchestra at Fundraising Gala

a fantastic steel band, singing competitions, a conga, delicious Afro-Caribbean food and rum punch.

The weekend of events continued on Saturday morning with our AGM in the suites of the Croydon Hilton followed that evening with the alumni reunion party of the year in the grandiose banquet hall of the Croydon Hilton. With an impressive attendance of almost 200, we were entertained by the legendary Old Igboian Dele Sosimi who performed an outstanding selection of his

Afrobeat repertoire and had practically everyone in the hall on their feet!

The weekend concluded on Sunday morning with a Thanksgiving Service held by Revd Fagbemi with a great turn out of Old Igboians and guests that stayed the night at the Hilton.

The finale of our social calendar was the inaugural ICOBA Europe Xmas Party held on 7th December at the Palms Hotel in Hornchurch, Essex. The 83/85 set have hosted a Christmas Party for the past several years, however this year they collaborated with ICOBA Europe to widen out the merriment and it turned out to be a successful and wonderful event with increased attendance from across the membership of ICOBA Europe.

The Socials team along with ICOBA Europe Exco extend our gratitude to all those who continue to support our events and inspire us to keep endeavouring to facilitate great and memorable events that bring us Old Igboians, families and friends together.

WELFARE REPORT

The Welfare Team remains committed to supporting members in times of need, fostering unity, and promoting the wellbeing of all old boys. This report highlights welfare-related activities, support provided, and ongoing challenges during the reporting period.

Objectives

The objectives of the Welfare Team remain as follows:

- ✦ To provide moral, and logistical support to members during times of need.
- ✦ To celebrate with members during milestones such as marriages, birthdays, promotions, or childbirth.
- ✦ To pay condolence visits and provide support during bereavement.
- ✦ To maintain a welfare fund to support welfare-related activities.

Activities

Our activities in 2024 year have been restricted to supporting and visiting our bereaved members. Activities such as birthdays and marriages have been organised by individuals and the Social Team. The Chairman and other members of our Association have made themselves available to members during difficult times. Below are the names of Old Igbobians we lost in Europe in 2024:

- ✦ Mr Adelekan Adeyemi-Bero (8284 set)
- ✦ Mr Olanrewaju Akoni (7375 set)
- ✦ Dr Olumade Okubadejo (1947 set)
- ✦ Mr Adedamola Makanju (7274 set)

We also lost WICOBA members, notably Mrs Felicia Ifeajika, wife of Mr Uzor Ifeajika (7577) and Mrs Sayo Adedoyin, wife of Dr Durojaiye Adedoyin (7577). May their souls rest in peace.

Through our Treasurer and the larger ICOBA family

including individual sets, financial support was given to bereaved members and or families as appropriate. The welfare team appreciates the support and attendance of set members on these occasions.

Social Visits and Social calls

The team regularly makes social calls and or visits to members of the older sets. I will want to encourage set members to who may have met or know a member who requires support or befriending to contact the welfare team, this can be done directly to the Welfare Team. The team regularly visits or checks in with older members. If you know someone who needs support or companionship, please contact the Welfare Team directly.

Challenges

A major challenge for us is the delay in information reaching the ExCo about members in distress or not being aware of members through their non-participation in ICOBA activities either at set level or ICOBA Europe, I will encourage members who are aware of such people to inform the team. Efforts have been made to get executive members to submit their birthdays, spouse' and wedding anniversary so that a shout out from the welfare team and other ICOBA members is done. We haven't heard from any member of the ExCo.

Conclusion

The Welfare Committee appreciates the support of all members and calls for greater commitment to our collective wellbeing. Whilst we recognise there is a WhatsApp group of set chairmen and secretaries, it is important that each set communicates welfare concerns for quicker response and better coverage. Together, we can ensure that no Old Igbobian is left behind in times of need or celebration.

EDUCATION QUALITY MASTERPLAN

The Education Quality Masterplan (EQM) remained the flagship project of ICOBA Europe in 2024. The aim of the project is to improve the quality of teaching and learning at Igbobi College Yaba, Lagos, Nigeria (ICY). The need for the project arose out of an assessment of the state of education at ICY which concluded that there was a need to build the college back to its position as a top education facility for boys delivering high quality education and preparing the future leaders of the country.

EQM was launched as a 2-phase project in August 2019 with the first phase being a rapid turnaround of the College and the second phase being an embedding of the gains from phase 1 into business as usual as well as ensuring ongoing quality improvement.

EQM is managed on behalf of ICOBA Europe by the EQM Task-Force (EQM-TF), the members of which are:

- ◆ Dr Deji Okubadejo (79/81 set) — Chairman
- ◆ Mr Oke Eleyae (78/80 set)
- ◆ Mr Demola Adewakun (81/83 set)
- ◆ Mr Samuel Adebayo (83/85 set)

EQM-TF is responsible for the implementation of phase II of EQM and receives an ICY school report every term from the ICY leadership team. The task-force reviews the report and provides a formal feedback as well as a meeting with the senior leadership team of ICY which is held via a virtual online meeting platform. 2024 represented the third year of implementation of phase II of EQM and the school has continued to make good

progress with EQM. EQM-TF has also supported ongoing improvement in the quality of the school reports.

The school reports continue to show positive progress in terms of the processes that have been established at the college. As policies and processes have become robust, EQM-TF has challenged the school to move more towards outlining and measuring outcomes and achievements rather than just reporting on policies and processes. The school is now able to predict and measure students' progress and achievements, tracking these along their journey through the school. There is also a high level of engagement by the ICY academic staff in the continuous professional development programme (CPD) offered by the school. ICY team continue to arrange internal CPD on various relevant topics and they also engage with the external CPD offered through Transformational Teachers' Network (TTN) by Meadowhall Charity Foundation. The TTN offering is full funded by ICOBA Europe for all the teachers in the school.

ICY now produces an annual School Development Plan as well as a dashboard that facilitates tracking of student and teacher performance as well as target setting in the school. The 2024 external examinations results with the West African Examinations Council (WAEC) were excellent with 100% pass rate in all the subjects taken and with 100% of the boys achieving grades A1 to C6 in every subject except English literature. Again, there was 88% to 100% distinction rate in every subject except English literature. Of particular note was the

very significant improvement in English language compared to the 2023 result.

ICY continues to provide a rounded education for the boys with emphasis beyond just good academic performance through the provision of targeted extracurricular activities. Notable among these were the 2024 Biannual Cultural Day celebration in January, a cultural day and excellent results from participation in science, debate, quiz and sports competitions.

EQM represent a continuing commitment for ICOBA Europe which means that there is a requirement for ongoing funds and fundraising to support the project. The Association will appreciate dedication donations to support EQM.

Chairman, EQM Task Force

OBIC UK

We once again acknowledge the £5,000 seed funding that has been provided by ICOBA Europe.

ACHIEVEMENT AWARDS

Objectives

ICOPA Europe Achievement Awards celebrate people from all walks of life and all sections of society who have made a difference to their community.

While predominantly celebrating old students of the College, one does not have to be an Old Igbobian to be deserving of an award. It is however likely that any non Igbobian nominated will have provided exemplary service to ICOPA Europe and/or Igbobi College.

The Award categories are:

- ✦ ICOPA Europe Angus Award for Service to ICOPA Europe
- ✦ ICOPA Europe Parker Award for Professional Excellence
- ✦ ICOPA Europe Esubiyi Award for Service to the Nation
- ✦ ICOPA Europe Olatunbosun Award for a Lifetime of Service to ICOPA Europe
- ✦ ICOPA Europe Past Chairman lapel pin

Activities

The committee was tasked with calling on various members of ICOPA to nominate people deserving of an award in any of the above categories.

Our remit was to receive nominations in respect of any eligible individuals, evaluate the nominations in relation to the relevant criteria and finally make recommendations to the ICOPA Europe Executive Committee; who make the final decision. As the Awards ceremony is held very early on in the year (on Founders Day in February), nominations are usually received in the preceding year.

2024 Awards

Quite a number of commendable nominations were received this year and, after a rigorous process, the Executive Committee eventually settled on the following outstanding individuals to receive awards:

- ✦ Mr Tunde Kuti (7880 set)
Angus Award for Service to ICOPA Europe.
- ✦ Mrs Funmi Joseph (WICOPA)
Angus Award for Service to ICOPA Europe.

Mr Dele Sosimi, Mr Tunde Kuti, Mrs Funmi Joseph and Mr Segun Ifaturoti — ICOPA Europe Achievement Awards Recipients

Prof Remi Olatunbosun receiving Lifetime Award

Rev. Bunmi receiving ICOBA International Merit Award

- ◆ Mr Segun Ifaturoti (79/81 set)
Angus Award for Service to ICOBA Europe.
- ◆ Mr Dele Sosimi (9/81 set)
Parker Award for Professional Excellence

The ICOBA Europe Olatubosun Lifetime Achievement Award, given to someone who has excelled in a lifetime of service to ICOBA Europe, was presented to Professor Oluremi Ayotunde Olatunbosun (1966 set). A case of the apple not falling far from the tree as the award is named after our late great beloved Principal, Chief John Olatunbosun, his father.

National Awards

Mention should be made of ICOBA Europe members who were also recipients of National merit awards in 2024:

- ◆ Rev. Dr Olubunmi Fagbemi — of the 7375 set and ICOBA Europe long term Chaplain
- ◆ Mr Wole Sanwo — Doyen of the 7880 set and NSF
- ◆ Mr Adekunle Adeniji — of the 8486 set and Social Secretary ICOBA Europe

Outlook for 2025

The outlook for 2025 remains positive when a periodic review of the awards process is expected to be undertaken

FROM THE DIRECTOR OF ORGANISATION

The year 2024 was quite busy, eventful, and successful for ICOBA Europe.

Founders' Day 2024

Founders' Day and Awards on 13 February 2024 surpassed our expectations — there were over 80 Old Igbobians in attendance which made for a very successful event. We believe this means we are engaging with more Old Igbobians and testament to the continued and increasing participation of Old Igbobians in Europe.

The Awards ceremony was well received. Organised by Mr Jeremy Coker, Vice Chairman, ICOBA Europe saw exceptional individuals recognised for their contributions to ICOBA Europe and their professions, respectively — further information on this in Achievement Awards report.

Revd Fagbemi's Retirement

Revd Fagbemi's retirement service was a joyous event. Holy Trinity Church was filled to the rafters with family and parishioners, and Old Igbobians wishing our distinguished Old Boy and Trustee of ICOBA Europe a good retirement.

AGM & Reunion

The days of Thursday 25 July – Sunday 28 July 2024 saw ICOBA Europe host for the first time a combined Annual General Meeting and Reunion.

The detail of the planned six activities that made up the ICOBA Europe AGM & Reunion 2024; Chairman's Reception, Visit Windsor & Eton, WICOBA Hosts, AGM,

Fundraising Gala Night, and the Sunday Commemoration service; was made of Planning Committee, and Sub-Committees constituting Old Igbobians and WICOBA. They did a fantastic job of planning an eventful and exciting 4-day weekend of activities.

Old Igbobians from ICOBA Europe, ICOBA North America, and ICOBA International were present to support the event, meet old friends in person, eat bountifully and worship as brothers.

We had the pleasure of the presence of the President of ICOBA, Mr Femi Olubanwo and the Chairman of ICOBA North America, Mr Fela Yemitan.

On Thursday 25 July, Mr Gbenga Segun, Chairman ICOBA Europe welcomed about 80 Old Igbobians to his home. The mood on the day could not be dampened not even by the awful British weather.

Friday morning of 26 July was the planned visit to Windsor, a historic town in Berkshire, famous for Windsor Castle. In the evening, wives of Old Igbobians hosted us — WICOBA Hosts.

WICOBA Hosts had a Caribbean theme with Old Igbobians and their wives dressed in House colours making it a very colourful evening. About 100 Old Igbobians and WICOBA enjoyed the evening.

The morning of Saturday 27 July was the well attended ICOBA Europe Annual General Meeting which bore some fruitful deliberations and decisions.

The Saturday evening was the Gala Dinner Dance where guests enjoyed Afrobeat rendition by Dele Sosimi and his Afrobeat Orchestra and we also raised some funds for

AGM & Reunion tour group at the entrance of Eton College

our Igbobi College programmes.

Despite the late night enjoyment on Saturday, we had a full room for the Sunday service in the morning of 28 July.

The 4-day weekend overall saw increased numbers at each of the events.

The general view was this was a successful event and ICOBA Europe EXCO should be proud of this success. ICOBA Europe events remains the yardstick on Nigerian alumni events in Europe, Middle East, and Asia.

Outreach

Over the years, ICOBA Europe continues to attract and encourage Old Igbobians from different sets to be more involved in the Association. We have been successful with several sets from the 80s generation and we have also embarked on doing the same with the 90s and 2000s respective sets with increasing success.

These successes in encouraging participation from other Sets includes outreach visits to Old Igbobians in the areas they reside or most comfortable in meeting with the aim of encouraging their increased participation in the Association.

We will continue to outreach so ICOBA Europe continues to grow, follow, and succeed in the much

needed role of attending to the needs of ICOBA Europe and giving give back in the Igbobi College SDF tradition.

We look towards the beneficial interests of our members here in Europe but are also minded to ensure further interests of our alma matter Igbobi College is adjoined to our interests and give back in many ways.

The Education Quality Masterplan (EQM) has been one of the relevant and successful ways ICOBA Europe continues to give back to Igbobi College — more in the EQM report.

Fundraising

Fundraising efforts have been for the EQM and the soon to be launched Heritage Centre which will provide the historical and value concept and ideas of the founding of Igbobi College as a reminder to Old Igbobians and as a source of information for current and new pupils — more on this can be seen in the Treasurer's report.

In recognition of the financial pressures of ICOBA Europe members in our inflation ridden economy, I have introduced, with the support of the ICOBA Europe Executive Committee, a series of initiatives with the sole purpose of ensuring our members enjoy the benefits of being subscribed members including organising value-for-money events and activities.

Additionally, various members of ICOBA Europe such as Mr Segun Ifaturoti and Mr Tunji Joseph, and the ICOBA Europe Executive Committee are committed to ensuring there is proper execution, monitoring, and quality management of ICOBA Europe events thus ensuring there is indeed value for money.

WICOBA

WICOBA remains supportive of our events and going the additional several miles to ensure their contributions add to the flavour and success of our events. For example, Mrs Folake Segun, Mrs Funmi Joseph, Mrs Bola Mosuro provide exceptional support towards our events by their individual and collective involvement.

Thanks

I am grateful to each and every one who participated in the planning and execution of our events during my tenure especially WICOBA, who though did not attend Igbobi College, continue to serve the interests of Igbobi College and ICOBA Europe with fervour.

As the current Director of Organisation, I feel proud and blessed by the commitment of members to ICOBA Europe, commitment of WICOBA, and the generosity of the ICOBA Europe Executive Committee.

FINANCIAL REVIEW

Our main event for 2024 was the AGM & Reunion weekend in July. Thanks to generous support from members and friends of ICOBA, the Heritage Centre Project Fund was boosted by **£30,529** during the year. We are particularly grateful to WICOBA who undertook a walk to raise funds and challenged members of the Association’s Executive Committee to match the funds they raised (I’m glad to report that ExCo rose to the challenge!). **£60,626** had been

raised during our 90th Anniversary celebrations, bringing the total of the Heritage Centre Fund to **£91,155**. Heritage Centre pledges totaling **£8,187** remained unfulfilled as at 31 December 2024. At the time of writing, the unfulfilled balance has reduced to **£4,309**. Efforts to recover the outstanding amounts are ongoing. Funds raised have been held in our interest-bearing account throughout the year, earning interest of **£1,093** (2023 – **£561**), equivalent to approximately 11 annual subscriptions.

The Executive Committee has determined that the Heritage Centre donations should be ring-fenced, so the accounts for this year have been presented on that basis. Efforts are afoot to progress the Heritage Centre works on the College site as soon as possible.

We once again express gratitude for the continuing support of our members. There was a reduction in the number of subscribers compared to the previous year, however **47** members (2023 – **59**) remained diligent with their subscriptions during 2024. We continue to appeal to members to keep up with their subscriptions. A special call is made to Old Igbobians in Europe who have not yet boarded the subscription train to do so now. The full list of subscribers is included later in this report.

Income for the year was **£64,149** (2023 – **£22,275**), the growth being a factor of fundraising activities in 2024. The surplus for 2024 was **£21,879** (2023 – deficit **£1,025**). The Association’s cash balance as at 31

December 2024 was **£90,937** (2022 – **£71,153**).

Members are reminded that our flagship initiative — the Education Quality Masterplan (EQM) — is ongoing. We encourage members to continue with the financial support of EQM.

The Association’s calendar included the ICOBA Europe Christmas Party for the first time this year. The memorandum account for the event is presented below:
